

A woman with long, dark hair is seen from behind, holding a camera up to her eye as if taking a photograph. She is standing on a rocky, uneven ground in front of the Parthenon in Athens, Greece. The temple's iconic columns and pediment are visible in the background under a clear sky. The overall scene is bathed in the warm, golden light of late afternoon or early morning.

HISTORY AND ANCIENT SITES

This trip is provided by Business Travel to all cultural lovers who want to escape the modern world in this 8-day tour. This is a unique opportunity to discover modern and ancient Greece, starting from Athens and finishing at Thessaloniki the vice capital of Greece which was named after the sister of Great Alexander. The benefit of this tour is that the traveller will be able to see monuments from different times of Greek culture such as Hellenistic Period, Alexander the Great period or the remains of the Golden Age of Athenian hegemony of Pericles. You can basically travel through the years between the Athenian Parthenon, the ancient Delphi temple, the Meteora Monasteries which are literally hanged in the edge of huge rocks, one of the first theaters of the world in Epidauros or the ancient Olympia where the Olympic Games have begun!

GASTRONOMY

The trip will also be a different gastronomical experience. Travelling throughout the mainland of Greece we will have access to various organic foods and recipes. Mediterranean diet is by itself one of the best in the world while in combination with the pure products of the Greek soil you can have a magnificent combination. Also, olive groves, fruit orchards and vineyards are abundant, and the olive oil and the wine produced is increasingly excellent.

Culture and Arts

This tour is the best chance that you might can have to discover the Greek culture and the Greek definition of art. You can visit various art galleries of the modern times or ancient theatres which where built and started their usage thousand years ago! You will mix modern arts, ancient arts, eligious or street art all at the same time. Greece is considered a very sophisticated country in case you are an art lover then get ready for the experiences of a lifetime.
